Great-Great Granddaughter Marks Family's Fifth Era

1973

May 6 and April 7 of this year were special days for a Downriver family.

On May 6 Mrs. Ida Mae Pupaurd of Wyandotte celebrated her 95th birthday while a month earlier on April 7 her great-great granddaughter, Kelly Rene Chontos, was born at Seaway Hospital in Trenton.

This birth was the final link in a five-generation span of living relatives in an area family group.

Mrs. Pupaurd resides with her daughter, Mrs. Blanch Loeding, 2444 Eighth in Wyandotte. Mrs. Loeding's son, Raymond Philip Watson, of 18236 Wendy, Riverview, is the father of Carol Louise Chontos, mother of the newly arrived Kelly Rene.

The 48-year-old Watson and his 23-year-old daughter, Carol, of 17623 Smith, in Riverview, are Michigan natives. Mrs. Loeding was born in Toledo, Ohio, in 1901 and her mother, Ida Pupaurd, was born in Martin, Ohio, in 1878. Mrs. Pupaurd moved to Michigan with her family in 1908 and has lived in Wyandotte since 1918.

Mrs. Pupaurd is an active member and the oldest woman in the Wyandotte Senior Citizens Club and the YMCA Golden Age Club.

A grandmother of five, she is a great-great grandmother for the first time with the birth of Kelly Rene Chontos.

God hath not promised
skies always blue,
Flower-strewn pathways
all our lives through;
God hath not promised
sun without rain,
Joy without sorrow,
peace without pain.

But God hath promised
strength for the day,
Rest for the labor,
light for the way,
Grace for the trials,
help from above,
Unfailing sympathy,
undying love . . .

It is difficult to impossible to find biographical information on early generations in Germany. A listing of names and dates does not make particularly interesting reading but on the other hand, it is nice to know who our ancestors were and where they were from. Therefore, this presentation is just to acquaint you with the who and where of your Lehmann ancestors.

The Lehmann Line

Ancestors of
Caroline Lehmann Walter
and
Christina Lehmann Walter

It is difficult to impossible to find biographical information on early generations in Germany. A listing of names and dates does not make particularly interesting reading but on the other hand, it is nice to know who our ancestors were and where they were from. Therefore, this presentation is just to acquaint you with the who and where of your Lehmann ancestors.

This is as accurate as current information will allow but there could be some errors or future changes as new data is found.

It is difficult to impossible to find biographical information on early generations in Germany. A listing of names and dates does not make particularly interesting reading but on the other hand, it is nice to know who our ancestors were and where they were from. Christina Lehmann Walter

It is difficult to impossible to find biographical information on early generations in Germany. A listing of names and dates does not make particularly interesting reading but on the other hand, it is nice to know who our ancestors were and where they were from. Therefore, this presentation is just to acquaint you with the who and where of your Lehmann ancestors.

This is as accurate as current information will allow but there could be some errors or future changes as new data is found.
